

Jersey International Motoring Festival – Touring Programme:

Jersey, the mostly southerly part of the British Isles offers some of the most breath taking scenery that you can find. Even on 45 square miles it offers a great diversity of coastline and countryside. It is the perfect place to bring your treasured motor vehicles to enjoy not only the island beauty, its traditions and history but also the events of the Festival of Motoring. The bespoke Touring Programme has been put together for you to have the opportunity of visiting places that are being opened especially for this event. You can take part on the days of your choice and to add a fun element we will be including a Treasure Hunt Trail for you to enjoy on route. There is plenty to entertain you throughout the weekend as well as the opportunity to enjoy fine restaurants and cafes offering genuine Jersey produce.
