Tyres/ Wheels

Slick tyres are prohibited.

Tyres are free within the following parameters:-

Dunlop competition tyres of a type up to and including M series, Englebert competition tyres. any E marked road going tyre or tyre listed in the current MSA year book L List 1A, or 1B provided that they are E marked. Any vehicle using tyres in List 1B will be entered into a modified class.

Drivers who present their vehicles with different tyres to the above must inform the scrutineer and may be asked to join a modified class and will be reported to the Clerk of the Course.

Post 1945 vehicles must run on treaded tyres, which may be road tyres complying with the Motor Vehicles Construction and Use Regulations, or racing tyres as long as the latter has a tread pattern which does not allow uncut areas of the tread surface to exceed 25mm in any direction between the grooves, which themselves must have a minimum width of 3mm.

To be eligible for classes I J & K, vehicles of monocoque construction and those with rear wings will be allowed, provided that they were standard on the car at the appropriate date. Wheel rim width may be increased by no more than 25mm.

Only the original manufacturers wheel sizes will be permitted with a tolerance of 25mm, up to a maximum rim width of six inches. Cars which have an original wheel rim width size in excess of six inches, will be permitted but may be asked to run in a modified class.

As a general rule no pre-war car may run on a rim width wider than five inches.

Brakes

All standard classes :- only the original brakes fitted to the car in series production form or as homologated by the manufacturer up to 31/12/1993 will be permitted. The brakes may not be modified in any way but ducting and scoops will be allowed. Any other modification will make the vehicle modified and will be moved to a relevant class.

Technical Regulations

All vehicles are required to comply with MSA technical regulations with regards to sprint and hill climbs and with any requirements that have been laid down in the supplementary regulations.

Shared entries may be permitted at the organiser's discretion.

Competitors are reminded that information given to the organisers will be stored on a computer database and may be retrieved for future events.

The organisers reserve the right to amalgamate a class should the minimum of three per class not be attained.

Noise

Noise restrictions will be as per the current MSA year book.

Flag signals

If a red flag is displayed, competing vehicles should come to a standstill when practicable and await further instructions from the course marshals.

Safety

Safety is paramount and competitors are asked to read section K of the current MSA year book.

Entries

Entries will open upon publication of these regulations and will close on 22nd May 2018. Post-dated cheques will not be accepted. Late entries will be at the organiser's discretion, with an additional cost of £40.

33% of the entry fee may be retained if an entry is cancelled up to 10 days prior to the event and 100% of the entry if cancelled on the date of the event.

A Parent / Legal Guardian agreement must be completed for this event for all competitors under the age of 18 years.

No driver may drive more than 1 vehicle in the same class. Shared entries will be accepted. Double entries may be accepted by the organising committee,

There will be a minimum of 30 and a maximum of 100 entries, and if the entries exceed this, the final selection shall be at the organiser's discretion.

Entries must be submitted to : The Event Secretary, Gina Poignand, Harmony, La Grande Route de St Laurens, St Lawrence, Jersey, JE3 1NH

Entries submitted without the correct entry fee shall be null and void.

Entry Fees.

All Events £280

Sprints Only £85

2 Hillclimbs £210

1 Hillclimb £105

1 Hillclimb and Sprint £190

Cheques made payable to CVMRC or details of the bank account are available on the electronic entry form

Late entries will incur an additional fee of £40 for both CVMRC & non CVMRC members.

Practice / Event

All competitors will have the opportunity to walk the course freely before competition to acquaint themselves with the course. There will be two practice runs followed by official runs.

Timing / Start

Competitors will start individually, the starting signal will be with lights and the vehicle will cut an electronic beam with a timing strut in accordance with the current MSA year book.

Vehicles will start from a standing start and all competitors will be deemed to have started if the centre of the rear wheel spindle has crossed the start line.

Should the timing equipment fail the start will be by green flag.

Finish

The finish line will be marked either side of the road by two boards bearing chequered flags. Please shut down the power after these boards. There will be a series of countdown boards and upon reaching the single 1 on it you will be expected to be going no more than 10mph.

Officials will monitor the road and anyone not complying with this instruction may be excluded from the results or the event.

Results

Will be published in accordance with the current MSA year Book.

Protests

As per current MSA year book.

Abandonment

The organisers reserve the right to postpone or abandon the meeting for whatever reason. In the event of abandonment or postponement, entry fees shall be returned as follows: Up to 50% of the entry fee may be retained for event administrations costs if the event has not started. Once the event has commenced all monies will be retained.

Awards

There will be no awards.
